Cambodian Reconciliation Committee, Inc.

Mr. Sopheaktra Nou and the committee are the first to introduce the High School Commencement in the Fresno County Area. He has been involved in the Khmer community since 1979 in the Khao I Dang and Kam Put Refugee camp in Thailand. In 1983, he continued to help more Khmer people in Kansas City, Missouri. In 1999, Mr. Nou and nine other Khmer elders organized the Cambodian Reconciliation Committee. Mr. Nou was appointed the CRC's first Executive Director, a position that he continues to hold. Mr. Nou and the committee organize Cambodian Commencement to empower students to recognize and value the importance of education. Education is the key foundation for the reconstruction of the Khmer society in America
